

# THROAT CHAKRA AFFIRMATIONS TO UNBLOCK CREATIVITY

My creativity is my superpower.

I speak my truth.

Creativity is my birthright.

I speak with kindness.

I am filled with creative energy.

I speak with love.

I confidently communicate my creative work.

I communicate the power to create my own reality.

Positive thinking ignites my creative flow.

I am exactly where I need to be in my creative journey.

I am able to trust my inner voice.

I express my gratitude daily about life.

I creatively express my highest potential.

I am open to nourishing my creative mind.

I express myself with confidence and clarity.

I express myself with grace and integrity.

I trust my powerful inner voice.

I am comfortable with my creative thoughts and feelings.

I empower others with my high vibrational feelings.

My high vibrational creative energy is infused into others.

Infinite creative energy is always flowing through me.

The creative energy I hold space for is unstoppable.

I speak about things important to me.

I am able to articulate my own creative ideas easily.

I flow freely with creative acceptance and freedom.
